

**Can
you
spare a
buck or
two for a
neighbor
in need?**

\$1 Energy Fund

There are many people in our community who struggle to pay their utility bills. They may have been devastated by a family illness or fallen on hard times due to job loss.

You can help those less fortunate by participating in Vally Energy's \$1 Energy Fund.

HERE'S HOW YOU CAN HELP:

ADD \$1 A MONTH TO YOUR GAS BILL

That extra dollar will go into the grant program. Valley Energy will match every dollar donated, so your \$1 becomes \$2 to help neighbors in need. And every penny from this fund is used to provide local energy assistance grants.

CHECK THE BOX ON YOUR GAS BILL

It's easy to donate. Check the box on your gas bill, enter a monthly amount you wish to donate and return it to Valley Energy. You can also send a check for a one-time donation to the \$1 Energy Fund.

If you already donate and wish to increase your contribution, contact the Valley Energy office at (570) 888-9664 or 1-800-998-4427. Your contribution is tax deductible and stays in our community.

Thank you for your contribution.

GETTING ASSISTANCE

The \$1 Energy Fund provides grants to low-income residential customers for gas bills. To qualify for assistance, certain guidelines must be met:

- ✓ Eligible customers must apply for all available assistance grants before applying to the \$1 Energy Fund.
- ✓ Applicants must meet the grant program guidelines, including making a sincere effort of payment.
- ✓ Applicants must have a balance on their utility bill of at least \$100.

Applications for aid through the \$1 Energy Fund are available at the Valley Energy office. Please speak to a company representative for detailed grant information.

The \$1 Energy Fund makes all decisions on who receives help and how much. They review the family's or individual's needs based on specific criteria, directing help where it's needed most.

About the \$1 Energy Fund

The \$1 Energy Fund Grant Program is a non-profit organization made up of sixteen Pennsylvania utilities to provide energy assistance to low-income people.

The partner utility companies match every dollar donated and 100 percent of the contributions are used to provide energy grants to in-need customers. The \$1 Energy Fund partners with 130 community-based agencies and utility companies to provide energy assistance to those less fortunate.
